

Thank you to all the Builders Club partners for sharing in the call for the Asbury United Methodist Church in Sioux Falls, SD. We are deeply grateful for the generous response to help us care for our property. Our building is a place that we hope provides life-changing experiences with Christ by loving and accepting all, nurturing discipleship, and serving others.

Your generous gifts will help our Trustees in their stewardship of our property. We have recently replaced seven heating and air-conditioning units on the building – along with a roof leak. The cost of the HVAC project (\$62,195) and the roof repair (\$3,500). Another project on their list is to replace the fascia, soffits, and siding on the north and south ends of the building (\$21,000). The exterior of the building will also be painted at a cost of \$11,086.

Thank you to everyone for your generosity! The United Methodist connection in the Dakotas is alive and well. We praise God for your hearts of giving!

In Ministry Together,
Kip Roozen – Lead Pastor
Asbury United Methodist Church, Sioux Falls, SD
