

Thank You

Dear Builders Club Partners,

We just wanted to reach out to the partners of the Builders Club with a huge “THANK YOU” for your support and help!! The money given to Sunnycrest went into immediate use within the church’s structure as we work to keep up with the growth in our ministry here at Sunnycrest. This project would have never been possible without your support. With your support we are able to continue the church’s mission of continuing to Love God and Love Neighbor.

Blessings,

Pastor Charlie Moore
Sunnycrest UMC
